

QUALITY POLICY

At MWI Animal Health U.K our purpose underpins everything we stand for:

We are united in our responsibility to create healthier futures.

- Our policy is to ensure we consistently deliver high standards of quality to our associates, customers, customer's patients, service users and stakeholders.
- It is our ambition to constantly pursue excellence: making sure what we do is fit for purpose and keeps improving. One way we will do this is by keeping a carefully specified Quality Management System, and a dedicated team to manage its intricacies.
- MWI Animal Health U.K. will document, operate, and continually improve processes to aid our associates to deliver excellence.
- MWI Animal Health U.K. will actively involve and encourage its associates to help shape the future of our business through Quality.
- MWI Animal Health U.K. will comply with all applicable regulatory requirements and will support this statement with a rigorous internal audit program.
- MWI Animal Health U.K. consider risk identification and mitigation an integral part of the quality strategy and will take all practicable steps to eliminate risk.
